

Saint Ansgar Elementary School
Requirements for Kindergarten

The following items must be submitted to the office on conferences the day before your child's first day of school.

***COPY OF BIRTH CERTIFICATE or copy of hospital record of birth**

***PHYSICAL EXAM**

Please include medications, allergies and any other pertinent health information.

***PROOF OF VALID IMMUNIZATIONS**

- A 5th dose of DTaP is required --- one dose after age 4
- A fourth dose of Polio is required --- one dose after age 4
- 2 doses of MMR --- the first dose must have been received on or after 12 months of age; the second dose shall have been received no less than 30 days after the first dose.
- Proof of 3 doses of Hepatitis B vaccine.
- Varicella (chicken pox) vaccine --- A second dose of Varicella is required unless there is a reliable history of natural disease.
- **(If your child is up to date with their immunizations, they will only need their 5 year-old shots, which generally consists of 5th DTaP, 4th Polio, 2nd MMR, & 2nd Varicella.)**

***Student Health Update Form-** You will only complete this one time and it will follow your child through graduation. *Please note, this form is different than the health form required for Pre-School students.

***VISION-** The state of Iowa requires we submit record of vision screening on each Kindergarten student. *Please bring a completed green "Student Vision Card" after you have visited the eye Dr., **OR** complete the consent to have your child screened by the Iowa Kidsight program offered through our local Lions Club.*

***PROOF OF DENTAL EXAMINATION**

An Iowa Department of Public Health Certificate of Dental Screening is to be completed. ****Only for Kindergarten students.** NOT needed for Pre-K students.

***BLOOD LEAD TESTING** if never done in the past. If the Iowa Department of Public Health has a record of the test, your child does not need another test.
